Complete this page, confirming you received an SSO1 form. You will not have received a TP1 from the DOR as they no longer send those out. Instead, you should've received an approval letter from the DOR in the mail. If you received an SSO1 tax credit receipt from Apogee, that is evidence enough that you were approved.

The next section would only apply to those of you who that may have participated in the past but who were unable to utilize the full extent of the approved and funded credit. The vast of majority of us will be selecting "no" but if you are unsure about what to do here, in the event you need to say "yes, please feel free to contact Apogee and we will be happy to help guide you through that process.

Georgia Credit Carryforwards

In Georgia, most credits are limited to your tax liability and they are not refundable.

If you are not able to take the full amount of your credit in a previous year, you may be able to take the credit in later years until you use it up or time runs out.

[Georgia Credits with Carryforward Provisions](#)

Do you have any Georgia credit carryforwards?

- Yes, I have carryforward credits to enter
- No, I don't have any carryforward credits
